4. Roland Nice WRC
5. Rick Neitzer FWR
6. Greg Warwick Morris
7. Dave Braden FWR
8. Jose Rodriquez NIX

Meeting called to order by Greg Warwick at 1:00pm.

Minutes of the previous meeting were read by Harry Stewart.

Motion to accept the minutes as read by member Rick Neitzer.

Motion 2nd by member Adam Kuhn.

Motion passed by members present.

The financial report was given by member Dave Braden.

\$39,082.60 is the combined amount in our treasury including the truck fund.

Dave mentioned that member Gerard Garcia had not paid his young bird shipping as of this date.

A motion to accept the financial report as given was made by member Harry Stewart and seconded by member Adam Kuhn.

Motion passed by members present.

At this time Greg Warwick gave an update and passed out a flyer on the 2019 LOLF Race Series which showed the changes that will be implemented for 2019.

No motions made at this time.

A report on the Combine Auction Race for 2019 was given by members Scott Onsen and Rick Neitzer.

Rick Neitzer announced he will not be a co-chairman on the auction race for next year.

No motions made at this time.

Greg Warwick gave a truck committee report in which he stated that the truck will be due for an engine overhaul in the near future.

Greg announced the weather committee for this years young bird season and is as follows, Scott Onsen, Harry Stewart and John Rems.

No motions made at this time.

Greg stated that he would like to have a hold back position in case of bad weather during the young bird series of races. Delegates present stated that the weather committee has the final decision in moving the liberation back in case of bad weather on the race course.

No motions made at this time.

Greg gave a talk on this years old bird series of races and talked about a few problems that had cropped up over the season.

No motions made at this time.

Member Rick Neitzer asked about why some of the races were not up on the au website in a timely manner this year and Greg mentioned to him that race secretary Andy Vella had told him that the new program he AU had implemented had a few bugs in the system that had to be fixed but should be better for the young bird season.

No motions made at this time.

Greg gave all club basket counts out to the delegates present along with all of the clubs pick up times.

ELGIN 7:00PM

FWR 6:00PM

LCC 5:30PM

MORRIS 6:45PM
